

# Seven steps for upgrading to Sage for Accountants

## Sage for Accountants

transforms your practice with a single platform that combines technology and expert support to boost your productivity and let you take control of Making Tax Digital for ITSA.

We've been working hard to make sure all the features you love from Partner Edition are available, plus much more. To get started with your smooth transition, here are seven key steps:

### Step 1

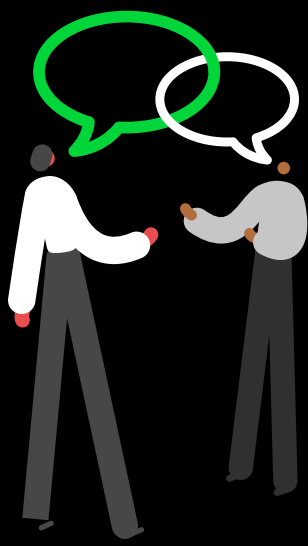

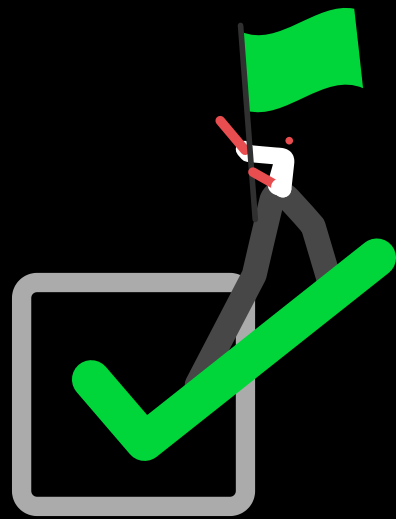

We'll let you know when you're eligible to upgrade

### Step 2

Accept the new Terms and Conditions

### Step 3

Plan and prepare—continue using Partner Edition and get ready for your upgrade

### Step 4

Get—and note—your upgrade date

### Step 5

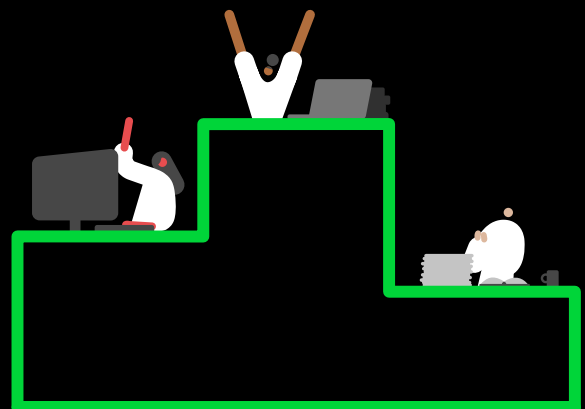

It's your upgrade day! Our expert team will do all the hard work

### Step 6

You have successfully upgraded to Sage for Accountants—welcome to the future of accountancy

### Step 7

## Welcome to Sage for Accountants

Find out more about your upgrade to Sage for Accountants.
